Hobbs & Webb are delighted to introduce to the market, for the first time in approximately 60 years, this impressive five-bedroom detached residence, ideally situated on the popular Farm Road in Milton. Offering spacious and versatile accommodation, the property enjoys impressive rooftop views and convenient access to the much-loved Ashcombe Park. Offered for sale with no onward chain, this is a wonderful opportunity to acquire a substantial family home in a sought-after location.

The accommodation briefly comprises a welcoming entrance hall with attractive parquet flooring, a spacious living room featuring a lovely bay window, separate sitting room, conservatory, kitchen/breakfast room and utility room.

To the first floor are five generous bedrooms, with several enjoying superb views towards Uphill Castle, together with a family bathroom and separate WC.

Externally, the rear garden has been designed with ease of maintenance in mind and is predominantly laid to patio. There is also a useful outside WC, while a gate provides access to the rear lane leading directly towards Ashcombe Park. A detached garage, benefiting from power and lighting, completes the outside space.

Properties of this size and position rarely come to the market, particularly having been in the same ownership for around 60 years. An internal viewing is highly recommended at the earliest opportunity to fully appreciate the space, views and potential this impressive home has to offer.
