Reservation Process

Once you have made an enquiry, we will introduce you directly to the developer who will guide you through the exciting opportunity to personalise your new home. The developer takes great pride in offering a bespoke and personalised service to every purchaser, placing strong emphasis on customer satisfaction and attention to detail. Having successfully delivered several developments locally, they have built an excellent reputation for constructing high-quality executive homes that combine thoughtful design with superior craftsmanship. Subject to the stage of construction, buyers may be able to select from a range of kitchens, bathrooms, finishes and internal details to create a home tailored to their own tastes and lifestyle.

Part Exchange and Sales Assist

We can offer you a part exchange or sales assist option on selected plots where you can reserve a plot for 8-week subject to the sale of your property. This is only available on selected plots and terms and conditions apply. Please ask the sales team for more information.

Finances

We will need to confirm your financial position. If you have already sourced a mortgage, we will just need to confirm the details and will also require your mortgages advisors' name and contact number.

If you have not yet sourced a mortgage deal, our mortgage consultant will be happy to speak to you about the best options for your circumstances. There are no obligations off the back of your initial conversation with them, and they have access to specialist lenders who deal with new builds properties. Please note, there are specific terms and conditions when purchasing a new build property, and not all lenders/products will be suitable.

These properties are also eligible for **GREEN DEAL MORTGAGES** which may save you money on the rates associated with new build energy efficient homes. Please ask the sales advisor for more information.

Any fees payable will be explained in your initial no-obligation appointment before you choose whether to use our Mortgage Services.

Solicitors

We are happy to recommend a solicitor to act on your behalf, one who is familiar with the site to speed up the process. This is because we aim for exchange of contracts within 35 days. If exchange does not happen within this timeframe, you will be at risk of losing the property. You are under no obligation to use our recommended solicitor.

ID

We require all buyers to comply with the Anti Money Laundering regulations and will send you a link through via your mobile phone or you can come into branch to adhere to the regulations. This requires you to have an in-date passport or driving licence. The solicitors and mortgage advisors will also ask you for these documents so have them out ready.

Confirmation of your sale

If you have sold your property, we will ask to check with your estate agent the chain details and will liaise with them throughout the process.
