£6,250 PCM

Upper Woodcott Barns

Upper Woodcott, Whitchurch, Hampshire, RG28 7PY

A stunning, 5-bedroom barn conversion with ancillary accommodation, enjoying a beautiful rural location with far reaching views. The property is presented in exceptional condition throughout. In all over 6,500 square feet/ 610 square metres.

THE PROPERTY

Upper Woodcott Barns is a beautiful barn conversion finished to an exceptionally high standard and providing spacious and versatile accommodation. The exterior is clad in wood with a clay tiled roof and combines a wealth of period features with modern fixtures and fittings. Outbuildings include the Stables a generous 1,904 square feet which has been converted to allow the option of ancillary accommodation, home office or entertaining space in mind. The Stable Building has an open plan living space on the ground floor and first floor with kitchen or shower room.

Entering through the large glass front door into the magnificent living room, which is a large and bright room with full height vaulted ceilings, large wood burning stove, exposed beams and bi-fold doors opening onto the terrace with views beyond. The kitchen/breakfast and family room is another wonderful room, featuring the bespoke fitted kitchen with granite worktops and electric range oven, ample space for a large dining table and informal living room. Door through into the utility room and downstairs WC.

The master bedroom suite is a superb room, again with vaulted ceilings and exposed timbers, dressing room and a large en suite bath and shower room. All the other bedrooms are all generous double bedrooms with en suite shower or bath. There is a useful and accessible storeroom alongside bedroom 4, as well as a small office space accessed from outside.

Outside, the property has a large gravel courtyard area behind the barn, with ample parking. Flanked with a wall to one side and a traditional farm building to the other this is a very private space. Opposite the Stables is a triple car port, double garage and electric charging point.

The garden, which is south facing and enjoys far reaching

rural views, is laid to lawn with a terrace area accessed from the living room and kitchen, ideal for outdoor entertaining. Electric points around the building to enable robotic lawn mowers for easy maintenance.

Upper Woodcott Barns is located on a private country estate in Woodcott, a small hamlet nestled in the countryside around the town of Whitchurch. Although the setting is very peaceful and in open countryside, it is highly convenient with the A34 nearby, as well as a mainline railway station to London Waterloo from Whitchurch, which is only 5.5 miles away. There are more comprehensive shopping, cultural and leisure facilities in Andover and Newbury. Schooling in the area is excellent, with Farleigh School at Red Rice and Cheam near Newbury both within easy reach.
