With space for a 4-6 seater dining table, the kitchen has laminate flooring, a radiator, two ceiling light fittings and window to the front. The long L-shaped worktop has an integral stainless steel sink with chrome taps. The cooker is included in the sale and has a four-ring gas hob with electric oven below and brushed chrome extractor fan above. There are a range of high and low level fitted cabinets and drawers, with space and plumbing for a washing machine. The Worcester boiler was installed in 2020 and there is room in the right-hand corner for a fridge-freezer.

## Living Room

We adore this bright and airy room, which is flooded with natural light from the south facing double French doors to the rear garden. With laminate flooring, the room has an elegant feature wall, two ceiling light fittings, a radiator and contemporary electric wall-mounted fire. There is plenty of space for furniture. A stylish staircase with vertical wooden banister leads up to the first floor.

Carpeted stairs with a handrail on the left lead up to the L-shaped galleried landing. There is a ceiling light fitting, loft hatch and airing cupboard with water tank and shelving. Doors lead into the two double bedrooms and bathroom.

## Bathroom

5'10" x 5'6" (1.8 x 1.7)

The spacious bathroom has a bath with heritage-style chrome mixer tap and hand-held shower attachment at the far end. The room also includes a ceramic pedestal sink with chrome taps, ceramic WC, laminate flooring, radiator, frosted double glazed window, extractor fan and ceiling light fitting.

## Rear Garden

A real sun trap, the south facing garden has a dining patio and path to the timber gate at the end. There is a beautiful well-stocked and lovingly-maintained flower bed on the right. The gravel bed has a circular stone feature on the left, with a large shed at the end. The garden is bordered by a brick wall on the left and a modern timber fence on the right.
