IF YOU LIVED HERE...

With secure entry, 24-hour concierge, and lift access, this well-designed apartment offers an impressive balance of security, space, and style all wrapped in clean lines, clever details, and a calm contemporary finish.

From the moment you step inside, practicality meets design: large double-doored storage cupboards sit to your left and right, perfect for coats, shoes, and daily essentials. Practical, hard-wearing engineered wooden flooring runs from the hallway through every room, while pale walls create a consistent, serene atmosphere that ties the living spaces together beautifully.

The family bathroom features a bath and shower combination with chic mint-tiled walls and LED-lit mirrored cabinet, giving the space a refined, spa-like quality. The first double bedroom is bright and peaceful, with floor-to-ceiling windows letting in soft morning light thanks to its east-facing aspect. A built-in double wardrobe and sleek en-suite complete with a walk-in shower add effortless functionality and mirror the clean, high-quality finish of the main bathroom. The second double bedroom enjoys the same light-filled aspect and stretches a generous 15 feet.

At the heart of the home lies the glorious open-plan living space, naturally divided into cooking, dining, and relaxing zones without losing its flow. The kitchen, running in an L-shape, offers plenty of base and wall cabinetry along with high-quality integrated appliances, a good-looking and easy-to-use space.

Large windows flood the space with natural light, and from here you can step out

onto your East-facing private balcony. With wooden decking and full cover overhead, it's a perfect spot for coffee, conversation, or a few quiet minutes of fresh air in any season. The simple metal balustrade keeps the waterside views below open and unobstructed.

Designed with care and built for real living, this home offers the ideal blend of comfort and sophistication, whether you're hosting, unwinding, or simply enjoying a bit of space to call your own.

WHAT ELSE?

Fish Island is now home to an ever-evolving range of bars and restaurants. Barge East is a 120-year-old barge and award-winning fine dining moored up just ten minutes away on the River Lea

The tranquil Queen Elizabeth Olympic Park is just a five-minute stroll from your new home. The equally grand Victoria Park is just as close in the other direction, where the Sunday food market is a must when you need a pit-stop.

Victoria Park is 0.4 miles away along the towpath, and the Queen Elizabeth Olympic Park is on your doorstep (240ft), including the new East Bank cultural development with the V&A East, BBC Music, Sadler's Wells, London College of Fashion and UCL. The area is brilliantly connected for transport with Hackney Wick Overground (0.4 miles), Pudding Mill Lane DLR (0.7 miles), and frequent buses to many parts of the City. Stratford is 1.1 miles away and provides access to Liverpool Street in 10 minutes, Tottenham Court Road in 14 minutes, and Heathrow in 43 minutes with the Elizabeth line.

A WORD FROM THE EXPERT...

I feel right at home living in Hackney, although I'm originally from Greece. You can be anyone, wear whatever you like and always feel welcome. The multiculturalism here comes across in the diversity of the cafés, restaurants, shops and bars. From specialty coffee shops and Michelin star restaurants to beautiful parks and art galleries, Hackney has something for everyone.

Weekends at Victoria Park or Broadway market are filled with great community energy, international delicacies and local artisan creations. For dog lovers, the marshes are beautiful for afternoon and weekend walks with your four-legged friends. And while you're there, you can stop by the river Lea at the Princess of Wales for a Sunday roast, Here East for brunch, or Crate Brewery for pizza and a local beer.

Properties in the area vary from characterful Victorian and Georgian houses to charming local authority red-brick blocks and beautifully designed modern developments with communal roof terraces.

I have found my home in Hackney and it holds a very special place in my heart.
