One of the major advantages of 21 Hawkstone View is its excellent communications. BRIEF DESCRIPTION

The accommodation is approached via an entrance hall which leads into the principal living accommodation. The living room provides a comfortable reception space, whilst the kitchen/diner forms the heart of the home and has been fitted with a contemporary range of kitchen units, work surfaces and integrated appliances. These include an integrated dishwasher, electric oven and hob, together with space for a fridge freezer. The dining area provides ample room for family meals and entertaining and there is an understairs store / pantry.

To the first floor are three good-sized bedrooms, together with a particularly spacious family bathroom.

The property has been comprehensively updated and benefits from rewiring, replumbing, new windows and an air source heating system, making this an exceptionally low-maintenance and energy-conscious home.

OUTSIDE & GARDENS

To the front of the property is an attractively landscaped garden with a driveway providing off-road parking for two vehicles.

The rear garden is a particular feature of the property. Immediately adjoining the house is a large decked area, providing an excellent space for outdoor dining, entertaining and relaxing. There is also a useful laundry room and outside W.C., adding considerably to the practical nature of the accommodation.

Beyond this is a long and substantial rear garden, which backs directly onto open farmland. The open outlook to the rear provides a lovely rural feel and is an increasingly rare feature for a modern family home.
