Set within a peaceful cul-de-sac, this beautifully presented four-bedroom detached home has recently undergone a complete renovation, creating an immaculate and thoughtfully finished family home within walking distance of Merstham station.

Its handsome mock-Tudor façade gives the house wonderful kerb appeal, set back behind a large front garden and private driveway, with a garage providing further parking and storage. Inside, the ground floor is finished with underfloor heating throughout and offers a generous, versatile layout. The living room sits at the front of the house, while the newly fitted kitchen features sleek stone worktops and integrated appliances. To the rear, the spacious dining area opens directly onto the garden and connects to a separate study, ideal for working from home or as a playroom. Beyond the study, is a useful utility room.

Upstairs are four well-proportioned bedrooms, including a generous principal bedroom with its own en suite, alongside a modern family bathroom.

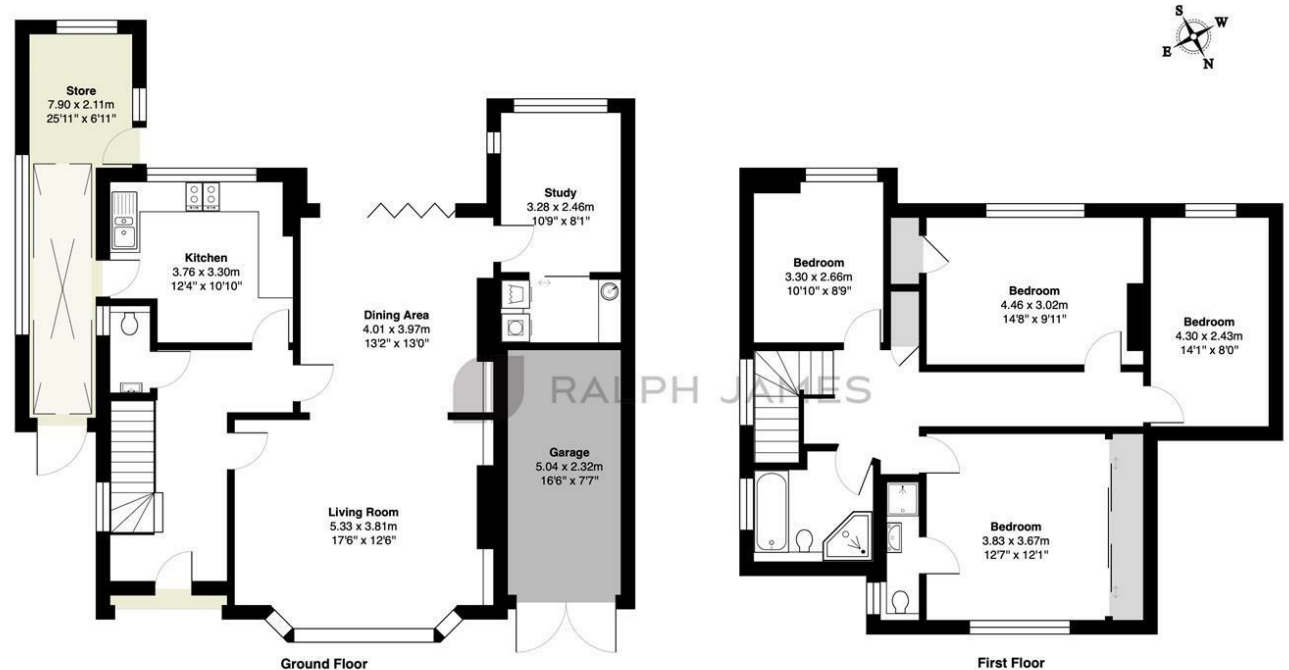

The garden is a particular highlight: large, south-westerly facing and wonderfully private, with an open outlook that leaves it feeling incredibly private. There is also useful additional storage adjoining the garage.

Bushetts Grove is well placed for highly regarded primary and secondary schools, while Merstham station is within walking distance and provides direct rail services into London. Beautifully finished, generously proportioned and offered to the market with no onward chain, this is a home ready to move straight into.
