Floorplan  
This blueprint is only for illustrative purposes and is not to scale. Measurements of rooms, doors, windows, and any items are approximate and no responsibility is taken for any errors, omissions or mis-statements. Sizes of beds shown in bedrooms unless otherwise stated are approximate only and may not look like the real items. Made with Make Shippy 360.

Enjoying a peaceful position alongside open fields, this superb true bungalow offers spacious, light-filled accommodation throughout. Thoughtfully arranged on a single level, the centrally heated property comprises a generous lounge/diner with views over the main garden and fields, that flows seamlessly into a well-equipped kitchen, which features glazed doors opening out to a patio and the garden. There are two well-proportioned bedrooms, a modern fully tiled bathroom, and a handy utility room with access to the integral garage and side porch. Externally, the bungalow offers off-road parking for two to three cars, as well as low-maintenance patio gardens surrounding the property. This is an ideal home for couples, families, or those looking to downsize without compromising on space. No chain.
