The accommodation begins with a welcoming entrance hallway featuring useful storage and providing access to the spacious lounge. Positioned to the front of the property, the lounge offers a bright and comfortable living space with a feature electric fire before leading through to the impressive kitchen diner.

The kitchen diner forms a fantastic hub of the home and is fitted with a range of matching wall and base units, integrated oven with induction hob and extractor above, together with space for an American-style fridge freezer and dishwasher. Two Velux windows and a rear window allow plenty of natural light into the room, while there is ample space for family dining. A separate utility room provides space and plumbing for a washing machine and tumble dryer, with direct access to the rear garden, while a useful pantry offers additional storage.

To the first floor are three well-proportioned bedrooms, with bedroom two benefiting from built-in wardrobes. Completing this floor is a modern family bathroom fitted with a bath and rainfall shower over, WC, wash hand basin and heated towel rail.

The second floor is dedicated to the impressive principal suite, creating a private retreat away from the main accommodation. The bedroom benefits from Velux windows, useful eaves storage and its own en-suite bathroom, fitted with a bath with shower attachment, WC and wash hand basin.

Externally, the property benefits from a substantial block-paved driveway to the front providing ample off-road parking. To the rear is an enclosed, low-maintenance paved garden, providing an excellent space for outdoor seating and entertaining, as shown within the brochure photography.
