To the ground floor there is also a potential annexe area, currently arranged with its own kitchen, cloakroom and living room with French doors opening onto the garden. Upstairs, the first floor presently provides five well-proportioned bedrooms and two bathrooms. Subject to any necessary consents, there is scope to install a staircase into the extended section, allowing the property to be reconfigured into a self-contained two-bedroom, two-storey annexe alongside a three-bedroom adjoining family home.

Outside, a block-paved driveway offers off-road parking for up to four vehicles, while the rear garden enjoys a sunny south-easterly aspect.

Further benefits include gas central heating via a combination boiler and solar PV panels with a feed-in tariff.

## What the owner says.....

We've loved every minute of living here and think this house has something special to offer anyone who moves in. The location has been perfect for us – great for commuting into London by train and close to M20 and A2/M2 motorways. We are very close to local schools and a variety of shops. We are in a lovely quiet road and very nice neighbours. One of our favourite things about the house is the bi-fold doors, which are amazing in the summer months for bringing the outside and inside together. It's been the perfect space for hosting friends and family. It is a short walk to Leybourne lakes which is amazing to walk around and listen and see nature. We've poured a lot of love into this house and have so many happy memories over the last 43 years, and we really hope the next owners enjoy it as much as we have.
