Huby Manor is a truly remarkable residence, nestled in the semi-rural yet conveniently located village of Huby. There is a village train station for easy access into the city centre and positioned within the catchment area for the two leading secondary schools in Harrogate.

On arrival, electric gates open to reveal a private driveway leading to two integral garages, both with electric doors. With its Georgian-inspired architecture, the property offers exceptional kerb appeal, featuring a sandstone exterior, classic sash windows, and a grand double-column portico for an elegant first impression.

The ground floor has been designed with both daily living and entertaining in mind. Multiple sets of double doors connect the main reception spaces, all of which lead from the impressive entrance hallway. This space is finished with polished limestone flooring, a statement chandelier, and provides access to the formal living

room with stone fireplace and log burner, a separate dining room, a snug, and the beautifully crafted Mark Wilkinson kitchen. The kitchen is fully fitted with Miele appliances, a range cooker, and a marble breakfast bar. Each of these light-filled rooms benefits from stunning sash double-glazed windows and has been regularly redecorated by the current owners.

The living room, dining room, and kitchen all open into the orangery, which in turn leads out onto a stone terrace overlooking the garden. Both the orangery and kitchen diner are fitted with underfloor heating and polished limestone floors, creating a warm and luxurious atmosphere.

Upstairs, the galleried landing leads to the principal bedroom suite, which includes a walk-in wardrobe, a tiled terrace with views over the rear garden, and a beautifully appointed en suite. This en suite features a free-standing bath, walk-in shower, dual sinks, tiled flooring, and WC. Bedrooms two and three each include fitted wardrobes and share a fully tiled Jack and Jill style en suite. Bedroom four also benefits from fitted wardrobes and its own en suite shower room. All windows on this floor are fitted with bespoke plantation-style shutters.

The top floor offers a spacious office room complete with custom-fitted furniture, ideal for working from home or running a business.

Another key highlight of the property is the annexe, which connects the integral garage to the main house. This versatile area includes a utility room, a games room, a bespoke fully fitted bar, and a large indoor heated pool finished with mosaic tiling. Above the annexe is a self-contained guest apartment, offering two bedrooms, a bathroom, a kitchen, and a spacious living room, ideal for extended family or visiting guests.

To the rear, the south-facing garden is laid to lawn and beautifully landscaped, with mature planting and shrubs offering privacy and uninterrupted views across the surrounding green belt.
