THE PROPERTY

This charming and well presented period cottage comes to the market with the benefit of no onward chain and makes the best use of it's overall space with a well thought and interesting layout. Externally the cottage also has the benefit of off street driveway parking and a pretty landscaped garden to the rear. On the ground floor, there is a handy entrance porch, which leads into the front aspect living room which has the original open fireplace. Beyond is the well fitted kitchen, with a rear aspect and view onto the garden, discreet utilities cupboard and door into the modern conservatory, currently used as an office/study. On the 1st floor are the three well balanced bedrooms, complemented by the shower room and useful loft room above on the 2nd floor, used for hobby and gaming.

THE GROUNDS

The rear garden has been carefully landscaped with retaining railway sleepers creating attractive terraces with flower and shrub borders. Steps climb the garden which culminates in an elevated sun deck, a lovely place to sit and dine, enjoying the views and also leading the timber garden room.
