The wide frontage is screened from the street by a mature shrubbery boarder and has standing for 2 cars with access to the detached single garage and pedestrian access to the rear. The rear garden has been pleasantly laid out with a patio area, lawn and mature shrubs but has become a little overgrown and needs some attention

THE AREA

Crantock Close is a small cul-de-sac comprising just 14 dwellings located conveniently for schools, leisure facilities and shops and having easy access to Leicester city centre with public transport routes nearby. Originally a small East Leicestershire village dating back to the 11th century, Evington became part of the city during the 1930’s as Leicester’s boundaries expanded. Still very much enjoying a village feel, the area centred around Main Street with conservation status and has a village green with a children’s play area and still hosts the annual village fete. There are also 2 main shopping areas, a library, a Village Hall and schooling for children of all ages. Places of worship include a Baptist chapel on the edge of the village green, dating back to the 1800’s. The Parish Church of St Denys which is thought to date back in part some 800 years and the Masjid Umar Mosque which opened in 2000. Leisure facilities include; the Evington Leisure Centre, The Arboretum, Evington Park, 44 acres of parkland with sports pitches and tennis courts and The Leicestershire Golf Club. The area remains very popular today with local buyers and those from further afields due in part to its proximity to the city centre, its professional quarters, the mainline railway station (approx. 1 hour from London St.Pancras) and the road links.
