- Energy Efficiency Rating

Conveniently located to the south of Bedford town centre...

This truly remarkable semi-detached home has been comprehensively renovated and extended by the current owner, resulting in a beautifully transformed property finished to an exceptional standard throughout.

The fixtures and fittings are striking and of high quality, with significant investment also made to the external spaces.

On the ground floor, a bay-fronted family room sits to the front of the property. To the side, an extension provides a practical utility room, while a further rear extension has created an impressive open-plan kitchen and dining space. This expansive area features an extensive, high-specification kitchen with a central island, integrated appliances, and underfloor heating.

There is ample space for relaxing, dining, and entertaining, with bi-folding doors opening seamlessly onto the rear garden.

Arranged over the first and second floors are three well-proportioned bedrooms and two stylish bath/shower rooms, all fitted with high-quality sanitaryware. The top floor loft conversion forms a superb principal bedroom suite.

Additional benefits include double glazing, gas central heating, an integrated speaker system, and a ground floor shower/cloakroom.

Externally, the property offers a fantastic entertaining space, complete with an outdoor kitchen, BBQ, and a brick-built pizza oven. There is also a covered seating area, a home office, a shed, raised beds, an artificial lawn, and an attractive ornamental fish pond. To the front, there is off road parking.

Mile Road is conveniently located to the south of Bedford town centre, providing excellent access to local shops, schools, and amenities. Bedford's mainline railway station offers fast and frequent services to London and beyond.

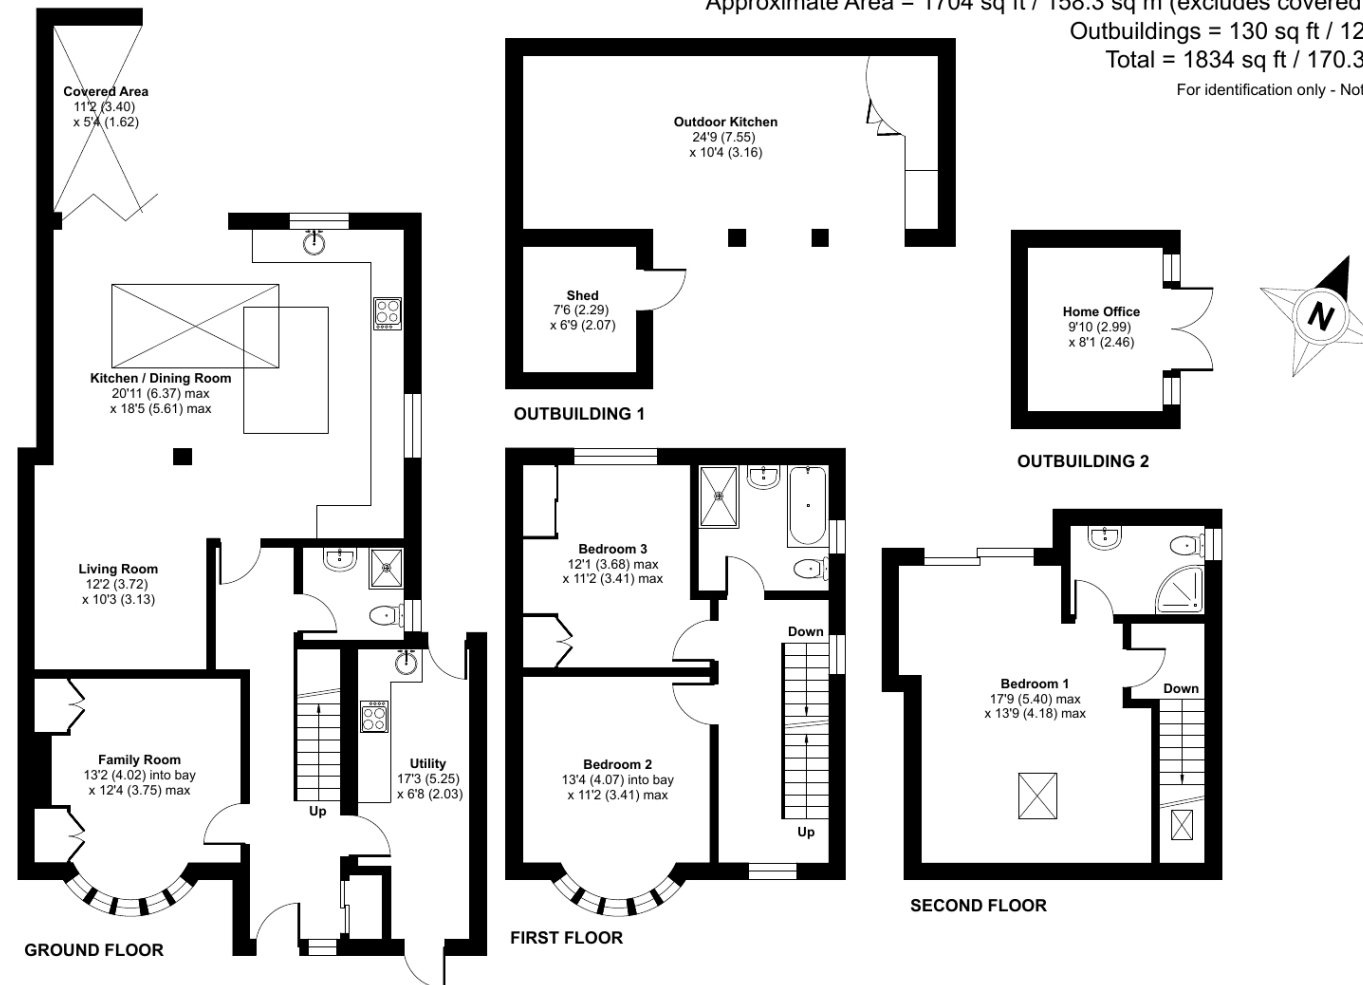

Mile Road, Bedford, MK42
