Pussywillow Cottage

The Property

Nestled on the edge of Rowrah, Pussywillow Cottage is a charming two bedroom semi-detached home offering a peaceful rural setting with easy access to local amenities. Being fully furnished and recently redecorated it is perfect as a holiday cottage, rental property, charming second home or lovely countryside retreat. This delightful property combines character, comfort, and a beautiful location on the fringe of the western Lake District.

The ground floor features a spacious lounge/diner, a well equipped kitchen, a useful utility room, and a convenient cloakroom/WC. Upstairs, the generous principal bedroom is a standout feature, opening onto a private balcony with idyllic views over open fields, an ideal spot to unwind and enjoy the tranquil surroundings. A second bedroom and a well appointed bathroom complete the accommodation. Externally, the property is approached via a shared driveway and benefits from allocated parking at the front.

The property has previously operated as a very successful holiday let, achieving a 90% occupancy rate and delivering up to £25k in revenue annually. More recently it operated as a residential rental. The property's location offers easy commuting to Sellafield while also providing fantastic access to the Lake District fells, Ennerdale, and an array of scenic walking trails right on the doorstep. Offering both excellent lifestyle appeal and strong holiday let potential, Pussywillow Cottage is a gem not to be missed.

Pussywillow Cottage

Location & Directions

Located in the heart of west Cumbria, Rowrah offers the perfect blend of rural charm and convenience. The area is ideal for outdoor enthusiasts, with easy access to the stunning Ennerdale valley, part of the Lake District National Park, providing endless opportunities for walking, cycling, and exploring the fells. Despite its peaceful setting, Rowrah is well connected, with nearby towns such as Cockermouth, Workington and Whitehaven offering essential amenities, schools, and transport links.
