We are delighted to offer this substantial detached family home, situated in the heart of Tarring close to local shops, parks, bus routes, and the mainline station. Offering spacious and versatile accommodation throughout, the property occupies a generous plot with excellent potential for modernisation and extension, subject to the necessary planning consents.

The property is approached via a long private driveway providing ample off-road parking and access to a detached garage and adjoining workshop. Internally, the accommodation is generously proportioned throughout and offers excellent versatility for family living.

The ground floor features a spacious dual aspect living room with plenty of natural light, alongside a separate formal dining room ideal for entertaining. The kitchen is centrally positioned and leads through to a conservatory overlooking the rear garden, creating an additional reception area with direct access outside. There is also a ground floor WC.

To the first floor are three well-proportioned double bedrooms, all offering comfortable accommodation, together with a family bathroom and separate WC.

Externally, the property benefits from a substantial enclosed rear garden enjoying a favourable westerly/northerly aspect, with further rear garden space adding to the overall sense of privacy and potential. While the property would benefit from updating and modernisation throughout, the generous plot size presents an exciting opportunity for enlargement or reconfiguration, subject to the necessary planning consents.

Situated within the highly sought-after Tarring area, the property is conveniently located close to a variety of local amenities including shops, parks, bus routes, and the mainline railway station, making it an ideal long-term family home opportunity.
