The accommodation briefly comprises a welcoming entrance porch, a large reception room with feature fireplace, and a traditional kitchen. The layout continues with three bedrooms and a well-appointed bathroom featuring both a bathtub and a separate shower cubicle.

A significant selling point is the LARGE DETACHED BARN situated within the plot. It offers exciting possibilities for conversion to ancillary accommodation, a home business base, or even a separate dwelling (subject to planning permission).

OUTSIDE

The property is approached via a private gravelled lane leading to a gated entrance, opening into a generous driveway with ample space for multiple vehicles. A detached garage sits conveniently beside the bungalow, ideal for secure parking or additional storage.

The gardens are a true feature of the home – beautifully maintained and thoughtfully designed, with lawned areas wrapping around the bungalow, neatly edged flower beds, ornamental trees, and colourful planted borders. To the rear, there is a productive vegetable patch, greenhouse, and a large patio seating area, perfect for alfresco dining and enjoying the peaceful, private setting.

DEVELOPMENT POTENTIAL

Positioned within the grounds and set slightly apart from the bungalow, the detached barn is a substantial two-storey structure offering over 2,000 sq. ft of internal space. Currently used for general storage, workshop space and log store, the barn includes multiple access points and a large open-plan footprint on both levels.

The ground floor is divided into three main sections, while a fixed staircase leads up to a spacious vaulted first floor with exposed beams and excellent head height – offering immense versatility. Whether for continued use as storage/workshop or for conversion into ancillary accommodation, a home office/studio, or a standalone dwelling (subject to planning consents), this is a rare and exciting opportunity with huge potential.
