The property will be sold subject to an undisclosed reserve and the vendor reserves the right for the auctioneer to bid in the usual way on their behalf up to the reserve.

All buyers must register with the Auctioneers **prior to** or **on the day** of the Auction. Under Money Laundering Regulations 2017, it is a requirement for Estate Agents to perform due diligence checks on any person that intends to bid at an auction, therefore the bidder will be required to provide 2 forms of identification at the Auction, a photo ID (passport or

driving license) and proof of address (recent utility bill or bank statement dated within the last 3 months, not a mobile phone bill). If the property is being purchased through a business we will need to see proof of the company's registration through Companies House and ID for all directors.
