2 STILES YARD ALRESFORD, SO24 9FH

A truly exceptional modern detached home, offering beautifully balanced and versatile accommodation across three floors, discreetly positioned within a private close just off West Street in the very heart of New Alresford's prestigious Conservation Area.

Combining high-quality contemporary design with its historic surroundings, this superb four-bedroom property enjoys both privacy and convenience, only moments from the town's charming Georgian streets and amenities.

The front door opens into a wonderfully proportioned entrance hall, immediately setting the tone for the home. Engineered oak flooring runs underfoot and sightlines draw you through to the elegant drawing room and the garden beyond.

To the right is a practical coat, utility and boot room with excellent storage - ideal for busy family life - together with a neatly appointed cloakroom.

The hall widens towards the rear, where a bespoke handmade staircase rises to the upper floors, creating a striking architectural feature.

To the left, the impressive kitchen/dining room forms the true heart of the home. Beautifully fitted with high-quality cabinetry and generous work surfaces, it offers ample space for both everyday living and entertaining.

Large windows provide excellent natural light, while double doors open seamlessly into the drawing room, allowing the spaces to flow together when desired.

The sitting room itself is both spacious and inviting, centred around an attractive fireplace inset with a cast iron woodburning stove, and features two sets of French doors which open directly onto the garden terrace - perfect for indoor-outdoor living during the warmer months.

The Principal Suite is particularly impressive, offering a walk-in wardrobe and a beautifully appointed en-suite bathroom, creating a calm and luxurious retreat.

AND SO TO BED: The first floor is arranged around a galleried landing, enhancing the sense of space and light. There is a versatile study, which could equally serve as a fifth bedroom if required, along with a generous double bedroom benefiting from access to a stylish Jack & Jill bathroom.

On the second floor are two further substantial double bedrooms, both well-proportioned and flooded with natural light, served by an attractive family shower room. This upper level provides excellent flexibility for guests, older children, or multi-generational living.
