SELLER'S SECRET

We have thoroughly enjoyed living here. The location is excellent with a small selection of shops on your doorstep and the town centre just a short walk away.

We are also very close to Wicksteed Park and Kettering's railway station and can be in London in quite literally an hour!

We love the open plan living space and we enjoy cosy evenings in front of the log burner.

Why we like it....

This house really does need to be viewed to be appreciated, whilst its only two bedrooms they are both generous in size. It's on the right side of the road too with a wonderful south facing rear garden!

Be quick though as we don't think it will be on the market for long!

To buy or not to buy....
