## GENERAL REMARKS

A wonderful Georgian farm house in parts dating back to the 17th Century, refurbished throughout to create this fabulous country home combining character with modern day living.

## SITUATION

Situated in a beautiful rural location, set in almost 3 ACRES and including an adjoining development of red brick barns all offering planning permission for the change of use of agricultural buildings to 3 residential dwellings.

A useful DETACHED BARN to the rear to include a stable, tack room, kennel and first floor store, and double car port, all with an ADJOINING PADDOCK.

Over the last 5 years, the current owners have renovated the entire property including new wiring throughout and a full new central heating system and boiler.

Before their move, they were planning on finishing the property with a large kitchen-diner project but with the situation moving on, it was decided to let a new owner stamp their own authority on it.

## LOCATION

This wonderful Farm House is fabulously positioned in this popular rural setting bordering beautiful rolling countryside on the edge of Rock village, a delightful rural community in the midst of fine Worcestershire countryside and an ideal spot for those seeking a peaceful rural lifestyle which is not too remote.

For lovers of the outdoors there is much to enjoy right on the doorstep, including the Wyre Forest nature reserve; a diverse woodland oasis which covers around 6,000 acres, with various access points including from nearby Callow Hill.

The living room itself is wonderfully spacious with tall ceiling, exposed timbers and attractive outlook over mature formal gardens to the front.
