Simply stunning! This magnificent period semi-detached family home has undergone a comprehensive back-to-brick refurbishment, creating beautifully appointed living accommodation which is sure to impress even the most discerning of buyers. The property has benefited from a number of significant improvements, including a ground-floor extension and cellar extension, providing a dedicated fitness room, together with a complete rewiring, new gas boiler and hot-water system, and replacement windows throughout. The extensions and rewiring were completed in 2018, with the boiler, hot-water system and windows replaced in 2017. The impressive ground-floor extension created a superb kitchen, which is open to the dining room and provides an exceptional space for modern family living. Further accommodation includes a delightful lounge, downstairs cloakroom/WC and a versatile playroom/home office. The extended cellar provides an excellent fitness room, together with additional, highly useful storage areas. To the first floor are four bedrooms and a generous family bathroom, complete with a four-piece suite.

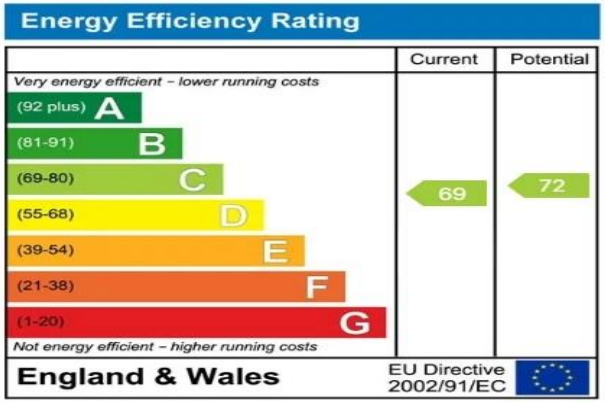

Considerable care has been taken to ensure that the improvements remain sympathetic to the age and character of the property, with a wealth of period-inspired features including elegant cornicing, stained glass, period-style radiators, stripped-back doors and beautifully restored original floorboards. Externally, there is driveway parking to the front, while the stunning rear garden is a particular highlight. Enjoying an easterly aspect, the garden features a substantial lawned area, dedicated play area and fantastic decked terrace, providing an ideal setting for both family life and outdoor entertaining.
