A semi-detached four double-bedroom home enjoying tremendous estuary and sea views, occupying a generous corner plot with excellent scope to create a fantastic family home.

Stepping inside, the property welcomes you with an entrance hall leading through to the dual-aspect lounge, a light and airy room filled with natural light. The kitchen opens through to the dining room and, whilst requiring some modernisation, offers fantastic potential to create a wonderful social and entertaining space. From here, there are far-reaching views across grassy fields, often grazed by a local sheep farmer, towards the estuary, Appledore, and out to sea. Accessed from the kitchen is a practical utility room is, complete with plumbing for white goods and direct access to the outside.

On the first floor are two large bedrooms and the family bathroom. The dual aspect principal bedroom is a particularly spacious room, enjoying elevated views that extend even further than those from the lounge. The second bedroom enjoys views towards the front garden.

The top floor provides two further generous bedrooms, both boasting fantastic views across the estuary and towards Saunton Sands. These rooms would make excellent children's bedrooms, all being of a very good size - finally putting an end to the age-old argument over who gets the biggest room.

The outstanding views are a real feature of this property and can be appreciated from most rooms throughout the house. An early internal inspection is highly recommended to avoid disappointment.
