Description

Forming part of this 1980's development of purpose built apartments and being situated on the second floor with no one above which reduces noise from neighbours. The location is first class. On the fringe of Sharrowvale and Kenwood, a short walk away from fashionable bars and restaurants that combine with independent boutiques and cafes to give the area its vibrant and bohemian feel. The location is also extremely convenient for public transport links, park walks leading into the surrounding countryside and having good schooling. The flat itself offers great proportions with two good bedrooms, a large, light and airy lounge, a kitchen which could be made larger if the storage void was incorporated into the design (subject to the necessary consents) and a modern bathroom. Very often storage space in flats is an issue but this property has it in abundance and there is also a garage that offers further storage solutions or a safe space for cars, bikes, camping gear etc... This well presented property is available with no onward chain and an early viewing is advised.

- Communal entrance hall with stairs leading to the second floor where there is access to the flats private entrance hall.
- Communal off road parking.
