The Accommodation

Occupying a desirable cul-de-sac position in the ever-popular village of Stretton, this tastefully decorated and extended family home is set back from the road behind a double-width driveway, providing off-road parking for several vehicles. A front entrance door with decorative double-glazed inserts leads through to the reception hallway, where there is a staircase rising to the first-floor accommodation, radiator, and access to the fitted ground-floor cloakroom, which offers a WC, hand wash basin with storage cupboard beneath, and a UPVC double-glazed window to the front elevation.

Positioned to the front of the property is a versatile reception room, ideal as a formal sitting room, playroom or snug, having a UPVC double-glazed window and radiator. Across the rear elevation of the home is the impressive open-plan dining kitchen. The kitchen area is fitted with a one-and-a-half bowl stainless steel sink unit with mixer tap set into preparation work surfaces, with a range of matching base cupboards and eye-level wall units. There is an integrated dishwasher, built-in stainless steel double oven, four-ring gas hob with extractor hood above, upright fridge freezer and larder unit, together with a UPVC double-glazed window to the side elevation and a useful under-stairs storage cupboard. The dining area provides ample space for a family dining table and chairs, with double radiator and glazed bi-fold doors opening through to the extended rear accommodation.

A particular feature of the home is the single-storey extension across the rear aspect, creating an additional reception room currently used as a lounge. This bright and airy space enjoys laminate flooring, UPVC double-glazed windows and an atrium-style double-glazed roof lantern, allowing for an abundance of natural light, with a door leading through to the utility room. The utility room is fitted with a single sink unit with cupboard below, plumbing and appliance space for a washing machine, and has a UPVC double-glazed window and door giving access to the rear garden. Completing the ground floor is a well-appointed shower room, fitted with a three-piece suite comprising WC, pedestal hand wash basin and corner shower enclosure with thermostatic shower, complemented by tiled walls, heated towel rail and UPVC double-glazed window to the side elevation.

To the first floor, the landing has a UPVC double-glazed window to the side elevation and doors leading off to the three bedrooms and family bathroom. The principal bedroom lies to the rear of the property and benefits from a range of built-in double wardrobes, radiator and UPVC double-glazed window. The second bedroom is a further double room positioned to the front elevation, while the third bedroom is also generously proportioned and includes a useful storage cupboard. The family bathroom is comprehensively fitted with a four-piece suite comprising WC, hand wash basin, corner bath and separate shower enclosure, with complementary wall tiling, UPVC double-glazed window and double radiator. The internal accommodation is double glazed and has a gas fired combination boiler.

Outside, the block-paved frontage provides off-road parking for a variety of vehicles, with gated side access leading to the established rear garden. Occupying a corner plot, the garden is mainly laid to lawn with a paved patio seating area, together with the added benefit of a timber-constructed home office complete with power and lighting.

Stretton remains a highly regarded village location, offering a wealth of local amenities including public houses, village shops and bakery, whilst being well placed for access to the A38, linking Burton-on-Trent, Lichfield and Derby.
