Cottage Farm is an impressive four/five-bedroom detached family residence offering just over 3,500 sq. ft. of living space across two thoughtfully planned floors and outbuildings - the perfect canvas for a luxurious yet practical lifestyle.

The home boasts three/four impressive and versatile reception rooms, with the heart of the home being the impressive open plan kitchen/dining area. This cleverly designed room features a log burning stove, carpeted flooring, French doors to the patio at the front of property and an orangery with a large roof lantern, windows to both the rear and side aspects, plus French doors to the delightful gardens.

The second reception room, known as the Whisky Room, is another beautiful space, having exposed beams to the ceiling, Parquet flooring, a traditional open fireplace, a walk-in bay window to the front aspect, carpeted stairs rising to the first-floor landing, double oak doors to the hallway and an oak door leading back into the kitchen.

Upstairs, there are four generous double bedrooms, all of which benefit from fitted wardrobes, and two further benefit from their own en-suite. The impressive master bedroom features exposed beams to the ceiling and a Juliet balcony. Bedrooms three and four share the spacious family bathroom.

Outside is where this home really shows off, with well-kept grounds spanning over 1.3 acres, having manicured lawns, an abundance of plants, trees and shrubs, plus an area of woodland. The property is approached via secure electric gates opening onto the large, gravelled drive with adjacent lawns, leading to the detached double garage which boasts an annex above.
