The kitchen is fitted with a range of modern base and wall units, complemented by worktop space with tiled splash backs, a stainless steel sink and drainer unit and space for freestanding appliances. Externally, parking is "on-street" with steps leading up to the front garden which offers a low-maintenance, open-plan space with elevated views along Church End. To the rear, a shared passageway (with neighbouring Grant Cottage and Ascot) leads through to an enclosed courtyard, providing a further low-maintenance "lock-up and leave" garden area, along with two useful brick-built storage sheds.

Please note that the neighboring property, Ascot, benefits from a pedestrian right of way across the courtyard.
