PARTICULARS OF SALE

Set behind the main run of houses on the High Street, this home is a real gem that should be viewed to be fully appreciated, particularly the hard to be beaten and simply stunning views to the rear.

The 4 bedroom accommodation is over 3 floors and offers spacious, well-proportioned space at all levels, with all the facilities a family would need. The real heart of the house is the large dining kitchen and from which the views to the rear strike you immediately through the large picture window. The lounge diner to the left is ideal for summer living with the sun deck off creating an extra room from which to enjoy the sunny days, whilst the sitting room with its stove is warming and cosy on those colder winter days.

The house benefits from recently fitted bathroom and separate shower room, a really useful laundry room, double glazing throughout and oil central heating with underfloor heating throughout the whole of the ground floor and into the main bedroom and bathroom. The bedrooms are all of a good size, with the upper attic bedroom ideal for perhaps for the older teenager, a useful office space or hobbies room. The gardens to the rear are easily managed and although there is no parking exclusively for this property, there is ample on-street parking on the High Street.

Castleton is a typical moorland village with many local amenities including a delightful pub, convenience store, independent shops and cafe and a primary school, whilst being in the centre of the beautiful surroundings of the North York Moors National Park (the Moors Centre at Danby is just 3 miles down the valley).

Whitby and the coast villages are within easy driving distance whilst the large conurbation of Teesside and its many facilities is easily accessible by road or even train which connects directly.

Without doubt a unique property that really should be viewed to fully appreciate the size, space and outstanding views.

The house is access through a wooden gate to the side of No 42 and which serves both properties and for which there is full rights of access for No 40.
