A truly stunning and impeccably presented Grade II Listed Georgian town house extending to approximately 3,515 sq ft (326.5 sq m), offering an exceptional blend of timeless period character and modern-day comfort.

The present occupiers over the years of ownership have undertaken extensive renovation and maintenance works throughout the property, including rewiring, roofing, replastering, replacement kitchen and bathroom installations, together with a wealth of ongoing improvements, resulting in a home that is ready to move straight into and enjoy.

To the rear, the property benefits from a delightful courtyard garden, providing a peaceful and private outdoor space ideal for relaxing or entertaining. A gate leads through to secure enclosed off-road parking for two vehicles, beyond which lie adjoining allotments, further enhancing the tranquil setting.

We are advised that the front boundary extends into the pavement area, presenting an opportunity for a future purchaser to reinstate an attractive stone wall and wrought iron railing frontage, subject to any necessary consents.

The location is second to none, forming part of an elegant Georgian terrace within easy walking distance of Congleton town centre. A wide range of shops, cafés, restaurants and everyday amenities are all readily accessible, making this a highly convenient yet characterful setting.

The accommodation is both spacious and versatile, offering flexibility to suit a variety of lifestyles.

An internal entrance porch leads into a welcoming reception hall with staircase rising to the upper floors.

Doors lead off to an impressive front dining room, a central cinema room with access to the cellar, and a breakfast room with French doors opening onto the courtyard. The breakfast room flows through to a beautifully fitted kitchen incorporating quality integrated appliances, together with a fitted pantry. Beyond lies a rear lobby with access to the outside, a generous utility room and a cloakroom/WC. The various reception rooms offer excellent flexibility and can be configured to suit individual requirements.

The first-floor landing provides access to an elegant drawing room, which could also serve as a bedroom if desired, together with two further bedrooms, one enjoying access to a balcony, and a contemporary shower room.

The second floor offers three additional bedrooms and a spacious family bathroom, creating substantial accommodation ideally suited to growing families or those requiring guest and home-working space.

The property benefits from all mains services, gas-fired central heating and has had in the past, a three-phase electricity supply, meaning a high-capacity electric vehicle charging point could be installed if required.
