SITUATION AND DESCRIPTION

The Pines Barn is pleasantly situated just off the A488 on the edge of the Shropshire Hills AONB and is within 0.8 mile's walking distance of the centre of Bishop's Castle, a historic market town on the Shropshire/Welsh border.

The Pines Barn is a highly insulated barn conversion with weatherboard clad elevations under a slate tiled roof completed in 2016. The property has underfloor heating, a ground source heat pump and quality fittings throughout. The Pines Lodge is a separate bijou unit with roof mounted solar panels and holiday letting/AirBnB income potential within a popular tourist area. A useful modern farm building and Dutch barn complement the grassland and offer the potential for equestrian use. The property in total extends to about 15.31 acres, 6.186 ha. The property is offered for sale with no upward chain.

THE PINES BARN

A part glazed door opens into the entrance hall with cloaks cupboard and a cloakroom with a vanity hand basin and wc.

The adjacent utility room has pale sage fitted base units incorporating a stainless-steel sink/drainer, plumbing for a washing machine, space for a tumble drier, and has a part glazed door to outside. The shower room has a Triton T80 electric shower in a large cubicle, a pedestal basin, wc and heated towel rail. A ladder from the living room gives access to a spacious mezzanine sleeping platform.
