Entering the property, the inner hallway provides access to the principal ground-floor rooms. The living room is full of cottage character, with exposed ceiling beams, a brick fireplace and log burner forming an attractive focal point. Please note that the log burner is a decorative feature only and is not available for use.

A separate dining room provides a good-sized additional reception space, again featuring exposed beams and traditional flooring. There is also a further reception/study area, offering useful flexibility for home working or as an additional sitting space.

The kitchen/breakfast room sits towards the rear of the cottage and has a warm, traditional feel, with wooden worktops and ample storage. Appliances include a fridge/freezer and dishwasher, while the adjoining utility room houses the washing machine and tumble dryer. The extended breakfast/dining area benefits from plenty of windows overlooking the

garden and provides space for a dining table.

Also on the ground floor is the family bathroom, fitted with a bath and shower over, WC and wash basin.

Upstairs are three bedrooms. The principal bedroom is particularly characterful, with a vaulted/sloping ceiling, wooden flooring and windows to both sides. The second bedroom provides space for two single beds, while the third is a smaller single bedroom, ideal as a child's room, guest room or study.

Outside, the property benefits from a generous enclosed garden, predominantly laid to lawn with established planting and hedging. There is also a useful outbuilding and a gravelled area to the front/side of the property.

Being an 1880s cottage, the property retains many of the quirks and features associated with a home of this age, including varying ceiling heights throughout.

The property is offered fully furnished, to include the main/large items of furniture shown in the marketing photographs.
