

Sherburn Terrace, Consett, DH8

Sherburn Terrace, Consett, DH8

Asking Price £90,000

This three-bedroom terraced house is offered for sale in the popular County Durham town of Consett. Providing well-proportioned accommodation, the property includes two reception rooms, a kitchen, bathroom and three bedrooms, offering flexible living space to suit a range of purchasers.

The two reception rooms provide versatility, with options for separate living and dining areas, a home office or additional family space. The kitchen is conveniently positioned to serve the main living accommodation, while the three bedrooms and bathroom are arranged on the upper floor.

The property also offers potential for further development and investment, subject to the necessary planning permissions and consents. The existing layout and accommodation could provide an opportunity for conversion into flats, making this a potentially attractive proposition for investors or purchasers looking to create multiple units.

To the rear, the existing garage could potentially be demolished to create additional space for off-street parking, subject to any required permissions. This could further enhance the property's practicality and appeal.

The property is conveniently located close to Consett town centre, with a wide range of amenities nearby, including supermarkets, independent shops, cafés, restaurants and everyday services. Local leisure facilities include Consett Leisure Centre and the Empire Theatre.

A choice of primary and secondary schools can be found in and around Consett, with local bus services providing convenient connections. The area also offers excellent access to open countryside and green spaces, including the Derwent Walk Country Park, popular for walking and cycling.

Consett benefits from regular bus services connecting the town with Newcastle, Gateshead and Durham. Mainline rail services are available from both Durham and Newcastle, providing connections across the region and to destinations including London and Edinburgh.
