DESCRIPTION

35 West Garth Road is an exceptionally well-presented semi-detached home which has been thoughtfully renovated and extended by the current owners to create a stylish and light-filled family home. The property successfully combines attractive character features with contemporary finishes, while the open-plan ground floor layout creates an excellent flow between the living spaces and a wonderful connection with the rear garden. Particular features include the bespoke kitchen with concrete worktops, the extended family space with large glazed doors and roof light, driveway parking for multiple vehicles and the converted garage studio.

ACCOMMODATION

The accommodation is entered via a part-glazed entrance door leading into a welcoming reception hall with stripped wooden floorboards, stairs rising to the first floor and doors opening to the principal rooms, including a useful ground floor cloakroom. A particular feature of the property is the open-plan arrangement to the ground floor, creating an excellent flow between the individual living areas whilst still retaining clearly defined spaces. The rear extension provides a superb family area with an excellent connection to the garden through large glazed doors and a roof lantern allowing an abundance of natural light to flood the space. The bespoke kitchen has been thoughtfully designed for the property and comprises a range of fitted units complemented by concrete work surfaces and integrated appliances. The open-plan design allows light to travel through the property from front to rear, enhancing the sense of space throughout. To the front of the property is an attractive sitting room with stripped wooden flooring, a large window and feature fireplace. The dining area provides ample space for a large table and further benefits from a breakfast bar adjoining the kitchen before opening into the extended family space which flows back around to the utility area and kitchen.

On the first floor are two generous double bedrooms together with a third bedroom, ideal as a child's room or home office. The family shower room has been tastefully renovated to a high standard and completes the accommodation.

OUTSIDE

To the front of the property is a generous driveway providing parking for multiple vehicles together with an attractive front garden featuring mature shrubs and a seating area. The former garage has been converted to provide a highly useful studio space, ideal for those working from home or requiring a hobbies room.
