## Aster Close, Didcot.

A beautifully presented and well-appointed two-bedroom home, constructed in 2017, ideally positioned on the edge of Great Western Park and offered for sale with a closed onward chain.

The stylish and contemporary accommodation comprises an inviting entrance hall with cloakroom, a front-aspect kitchen fitted with a range of integrated appliances, and a generously proportioned 14ft rear-aspect living room with stylish wooden flooring, built-in shelving and useful understairs storage. This flows seamlessly into a professionally constructed conservatory with a pitched roof and solar glass, providing an excellent additional living space overlooking the rear garden.

Upstairs, the property offers two well-sized double bedrooms, complemented by a modern and tastefully finished family bathroom.

Externally, the property benefits from off-road parking to the front, while the landscaped rear garden has been designed for low maintenance and features an extended patio seating area, gated side access, and a timber-built shed.

Further advantages include gas radiator central heating, a high energy efficiency rating, and the convenience of a closed onward chain.

Great Western Park is a sought-after development offering a well-planned, community-focused environment. With excellent transport links, highly regarded schools, generous green spaces, and a range of local amenities, it appeals to families, professionals, and commuters alike. Its combination of modern living, open space, and easy access to Oxford and London makes it a particularly attractive setting.
