Having been sympathetically extended to both sides and the rear during our client's ownership, the property now offers a wonderfully balanced layout perfectly suited to modern family living.

Occupying an enviable position within this highly sought after road, the home immediately stands out thanks to its generous frontage and extensive parking. A large driveway to the front provides ample space for numerous vehicles, whilst a secondary gated driveway accessed via Colman Close leads to a detached double garage at the rear of the plot, creating an ideal arrangement for families, car enthusiasts or those requiring secure parking and storage.

The property has been thoughtfully adapted over the years to create flexible accommodation that can easily evolve with changing family requirements. Extending to approximately 2,685 sq. ft in total., the layout offers an excellent balance between formal reception areas, open-plan living space and practical day-to-day functionality.

Stepping into the welcoming entrance hall, the sense of space and natural

flow is immediately apparent. At the heart of the home lies an impressive open plan kitchen, dining and living area, a bright and sociable space designed for entertaining and everyday family life alike. Doors open directly onto the garden, seamlessly connecting the indoor and outdoor environments.

Complementing this central living space are three further reception areas, comprising a cosy lounge, ideal for quieter evenings, a generous study/playroom that provides excellent flexibility for home working or younger families, and a ground floor double bedroom complete with its own ensuite shower room. This arrangement is perfect for guests, multi generational living or those seeking bedroom accommodation on the ground floor. A utility room and downstairs cloakroom complete the practical ground floor layout.

The first floor continues to impress with three well-proportioned bedrooms, all enjoying pleasant outlooks and excellent natural light. These rooms are served by a family bathroom, creating comfortable and balanced accommodation for the whole family.

Outside, the rear garden is a true highlight of the property. Measuring approximately 82ft x 50ft, it has been thoughtfully designed to provide a variety of spaces for relaxation and entertaining. Defined seating areas are positioned throughout the garden, whilst a covered hot tub, dedicated

alfresco bar and entertaining area create the perfect setting for social occasions throughout the year. The garden offers an excellent degree of privacy and maturity, making it a wonderful extension of the living accommodation.

Adding further appeal is the detached garden cabin, a highly versatile space that could serve as a guest suite, gym, studio, games room or home office depending on individual requirements. Combined with the detached double garage and extensive parking facilities, it is a feature that significantly enhances the property's overall flexibility.

Homes within such close proximity to the Downs are always highly sought-after, particularly those offering such adaptable accommodation, extensive parking and exceptional outdoor entertaining space. This is a rare opportunity to acquire a truly individual family home in one of the area's most desirable settings.
