Queensway, Lawford

Offering considerably more outside space than you might expect from a maisonette, this two-bedroom first floor home enjoys a generous private rear garden, extensive driveway parking and a useful powered workshop. The location is equally appealing, with Manningtree town centre and mainline railway station both within walking distance.

The property benefits from its own private ground-floor entrance, with stairs rising to the first-floor accommodation.

A bright dual-aspect living room provides the main reception space, while the separate kitchen overlooks the rear garden and is fitted with a range of units, work surfaces and space for freestanding appliances.

There are two well-proportioned bedrooms, including a generous main double bedroom. The second bedroom offers flexibility for use as a bedroom, home office or dressing room. A bathroom with a three-piece suite and shower over the bath completes the accommodation.

Outside is where the property really stands apart. The generous private rear garden incorporates both lawn and patio areas, providing plenty of space for outdoor seating, entertaining and gardening.

Within the garden is a detached workshop with electricity and water connected inside and out, providing valuable additional space for storage, hobbies or working from home.

A substantial private driveway provides excellent off-road parking and extends through gated access towards the rear garden.

With its combination of private garden, extensive parking, additional workspace and convenient position close to Manningtree's town centre and station, this is a maisonette offering many of the practical benefits more commonly associated with a house.
