Longlevens, originally Longleavens, is a suburb of Gloucester, developed from a farmstead during the twentieth century. One of the oldest roads is 'The Avenue', which is shown on old maps as a number of farm cottages. It is possible that Longlevens was named after a row of eleven houses with long gardens (Long-Elevens). Longlevens is primarily residential, and is home to Sir Thomas Rich's School, Holy Trinity Church, a Baptist Church, Longlevens Junior School, Longlevens Infants School and various shops and restaurants. The University of Gloucestershire's Oxstalls campus is also located in Longlevens. The area has good links to both the M5 and A40 and easy access to two train stations, Gloucester and Cheltenham Spa. Gloucestershire Airport, (known locally as Staverton) is also nearby. Its proximity to both Gloucester and Cheltenham, together with the excellent array of local amenities on offer, continue to make Longlevens a popular place to live.
