Set in one of Peacehaven's most appealing coastal locations, this impressive detached home has been comprehensively renovated to create a bright, contemporary property that makes the most of its position beside the sea.

The house has undergone an extensive programme of improvement, including a new roof, updated electrics and new plumbing, combining the proportions and individuality of an established property with the comfort of modern living.

The standout feature is undoubtedly the expansive first-floor kitchen/living room. A sleek fitted kitchen sits comfortably within the room, while the generous lounge area enjoys far-reaching sea views. Doors open onto a private balcony, creating a fantastic spot to enjoy the coastal outlook.

The ground floor offers equally impressive and versatile accommodation, with four well-proportioned bedrooms, including a particularly generous principal bedroom with a glazed seating area positioned to take advantage of the sea views. The remaining bedrooms provide excellent options for family, guests or home working.

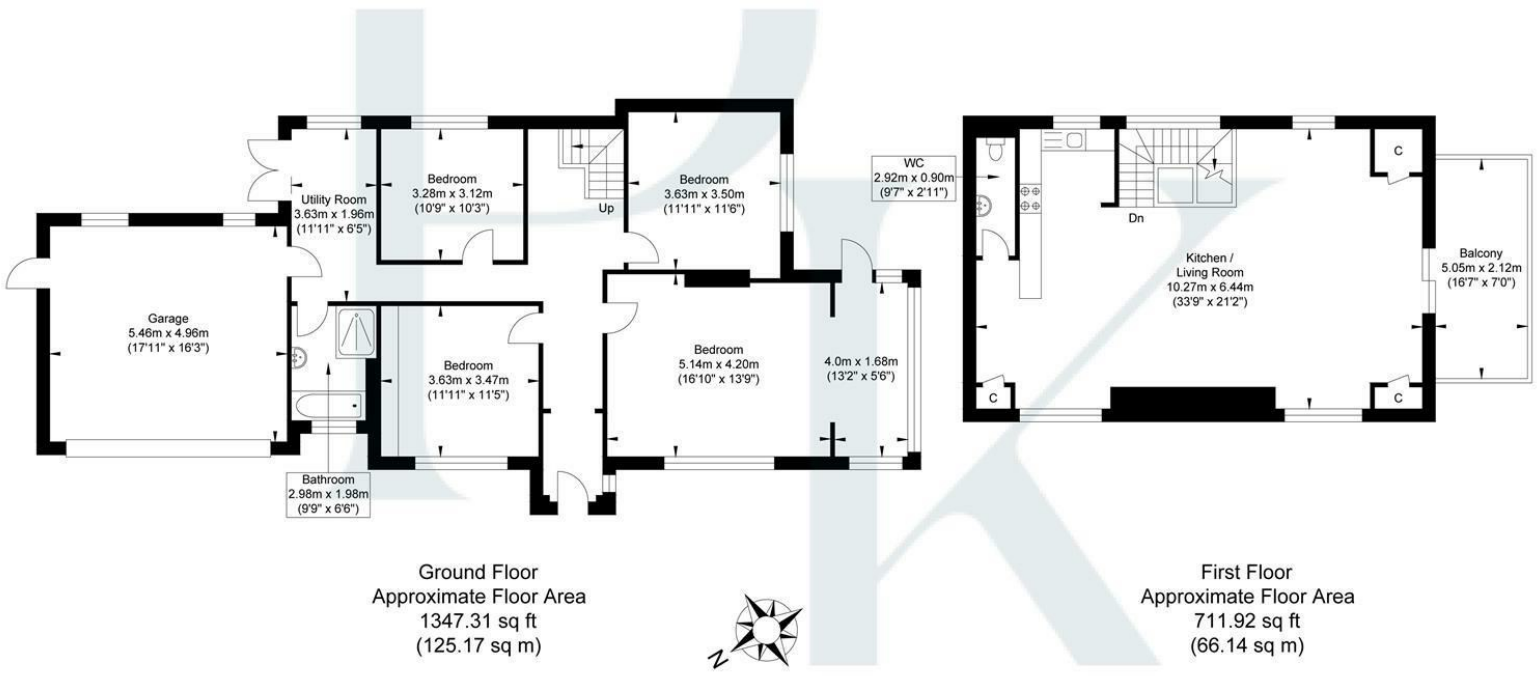

A modern family bathroom serves the ground-floor bedrooms, while a separate WC on the upper floor adds further practicality.

Outside, the property benefits from a private rear garden with lawn and decked areas, providing an attractive space for relaxing and entertaining. A substantial garage with both plumbing and electric installed further complements the accommodation.

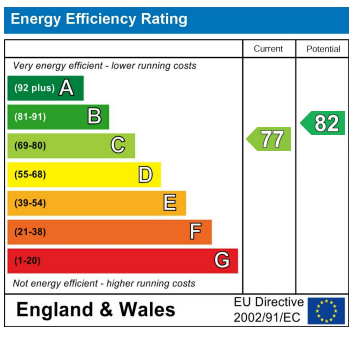

The Promenade sits moments from Peacehaven's dramatic clifftop and coastal walks, with the English Channel providing an ever-changing backdrop. Despite its peaceful seaside setting, convenient transport links provide easy access towards Brighton and the surrounding area.
