CHARMING WATERSIDE BARN CONVERSION WITH SPACIOUS FAMILY LIVING

This beautifully finished barn conversion offers a warm and welcoming home in a peaceful waterside setting. Reached via a long private road with electric gates, the property opens into a generous parking area and a three-bay open garage. Inside, the home blends character features with modern comfort, including oak finishes throughout and a striking living/dining room with an Inglenook fireplace and reclaimed Medieval stonework. With four bedrooms, three bathrooms, and flexible spaces for work or family life, this is a wonderful place to settle and enjoy nature all year round.

From the Agent's Perspective

The location is a real highlight, peaceful and set beside the water, giving a lovely outlook whatever the season.

The barn has been converted to a very high standard, with thoughtful detailing and a layout that suits a wide range of needs. The ground floor bedroom with adjoining shower room is ideal for guests or multi-generational living. The main living/dining area is a standout feature, especially with its large south-facing window and open plan flow into the breakfast kitchen. A study, utility room, three first-floor bedrooms and two further bathrooms, including a master en-suite, add to the practicality of the home.

Outside, there is potential to create a small paddock thanks to the existing field shelter. The property offers a wonderful lifestyle while still being only about ten minutes from the Humber Bridge, with village amenities in Barrow-upon-Humber and wider services in Barton-upon-Humber

From the Owner's Perspective

We saw more than just the Barn, we saw an opportunity to create something of our very own. A place where our children could grow, breathe, and enjoy a better life. Where our home became a safe haven and for the simple pleasure of endless sky and space.

The A15 is located approximately 4 miles distant providing access to the north via the Humber Bridge to East Yorkshire and the City of Hull and to the south via the A18/M180 to Grimsby, Scunthorpe and the national motorway network.
