At the heart of the apartment, the reception room has a calm sense of scale, with generous proportions and French doors drawing light through the space. There is ample room for both seating and dining, while the Juliette balcony introduces a subtle connection to the outside.

A beautifully presented two-bedroom apartment on Fulham Road, with a calm, neutral interior and a particularly well-balanced layout.

Extending to approximately 734 sq ft, the apartment opens into a welcoming hallway before leading through to a generous reception room. There is plenty of space for both living and dining, while French doors at the far end bring in natural light and open onto a Juliette balcony. Wood flooring runs through much of the apartment, helping the spaces feel cohesive and easy to live in.

The separate kitchen sits just off the reception room and is finished in soft green cabinetry with pale worktops, tiled splashbacks and good storage throughout. Its separate position keeps the main living space feeling clean and uncluttered while still working naturally with the rest of the apartment.

There are two well-proportioned bedrooms, both with built-in storage. The principal bedroom is particularly generous, with enough room for additional furniture alongside the bed.

A modern bathroom serves both bedrooms, finished in light tones with a large walk-in shower.

Positioned on Fulham Road, the apartment is well placed for the cafés, restaurants and everyday amenities of Fulham, with Fulham Broadway and the wider SW6 neighbourhood within easy reach.
