Brought to the market with the benefit of no onward chain complications is this super three bedroom family home within easy reach of local amenities, parks, primary school and wonderful countryside walks.

The property occupies a lovely position, backing onto the beautiful grounds of St. Andrews Church in Bridge farm square, a quiet no through cul de sac in the heart of old Congresbury. To the front of the house is an area of off street parking which leads to a large single garage and entrance to the house.

Upon entering the property there is a handy ground floor cloakroom to the left, stairs rising to the first floor with a useful under stairs cupboard and doors to both the kitchen and sitting/dining room. The kitchen is well fitted with a range of modern beech fronted units with a contrasting grey counter top, there are twin eye levels an integrated dishwasher and oven and hob, along with plenty of useful storage cupboards and space for a breakfast table.

To the rear of the house there is a full width sitting/dining room with a delightful dual aspect and French doors flowing out to the gloriously sunny garden.

Moving onto the first floor you will find good sized bedrooms including two which feature fitted wardrobes. The third is a smaller room but perfect for a child or home office. The view from the rear facing double bedroom is absolutely beautiful and takes in the church tower and stunning southerly aspect. Finally, completing the internal accommodation is the family bathroom which has a smart white suite with contemporary tiles and a chrome heated towel rail.

Outside, the attractive rear garden is beautifully planted with mature borders flanking a lush green lawn to three sides, there is a well positioned patio area that is ideal for al-fresco dining and soaking up the lovely sunny orientation which can also be accessed from the sitting room via French doors. To the side of the house is the aforementioned garage which also has a pedestrian door to both the front and rear for easy access.

The property is brought to the market with the benefit of no onward chain.
