41 Harpenden Road

St. Albans, AL3 6BJ

A beautifully presented 1930s Art Deco-style semi-detached home positioned on a sought-after road to the north of St Albans city centre.

This highly attractive property offers generous and versatile accommodation throughout, further enhanced by well-planned side and rear extensions that create superb living space for modern family life. Combining character, style and practicality, the home has been thoughtfully maintained and improved by the current owners. A particular benefit is the new PVC Membrane roof installed in 2023, which comes with a 30-year guarantee, offering added peace of mind.

A covered porch opens into a welcoming entrance hall with stairs to the first floor, a storage cupboard housing a Megaflo cylinder and integrated water softener, additional storage below and a convenient downstairs WC. The spacious lounge is filled with natural light from a bay window and additional front aspect window, creating a bright yet cosy feel. Double doors lead to the dining room, which flows into an impressive kitchen/breakfast room – the heart of the home.

The kitchen features an extensive range of quality units, granite worktops, integrated appliances including Bosch oven, microwave combi-oven, warming drawer, 5-ring gas hob, undercounter fridge, washer-dryer and full-size dishwasher, along with two further ovens and a breakfast bar, ideal for family life and entertaining. A sliding pocket door opens to a versatile study/snug with a rear window and roof lights.

Upstairs are four well-proportioned double bedrooms, including a principal bedroom with bay window, along with a stylish family bathroom and separate shower room. The family bathroom is finished with Duravit and Hansgrohe fittings and benefits from electric underfloor heating.

Outside, a block-paved driveway provides off-street parking for several vehicles, screened by evergreen hedging. The private west-facing rear garden offers a patio, lawn, mature borders and a garden shed.
