2 Laxton Close, Locks Heath, Southampton, SO31 6WN

**£600,000 Freehold**

This beautifully presented four-bedroom detached family home offers spacious and versatile accommodation, a detached double garage and a superbly landscaped garden, all within walking distance of Locks Heath Shopping Centre, highly regarded local schools and situated within the highly sought-after Laxton Close, Locks Heath.

The ground floor has been thoughtfully designed for modern family living, featuring an impressive re-fitted kitchen/breakfast room with a central island, part vaulted ceiling and dual-aspect windows that flood the space with natural light. The kitchen provides an excellent social hub for everyday family life and entertaining alike. The kitchen gives access to the formal dining room, which in turn opens into the generous lounge, creating a wonderful flow throughout the principal living areas.

Further ground floor accommodation includes a separate study, ideal for those working from home, a utility room and a cloakroom.

To the first floor are four well-proportioned bedrooms, including an excellent principal bedroom benefitting from fitted wardrobes and a en-suite shower room. The remaining bedrooms are served by a spacious family bathroom.

Externally, the property continues to impress. The detached double garage is positioned opposite the house, with ample driveway parking situated between the property and garage. The rear garden has been beautifully landscaped to create a low-maintenance and highly attractive outdoor space, featuring an Indian sandstone patio, artificial lawn and a partially enclosed pergola structure. This versatile area is perfect for entertaining guests, outdoor dining, or accommodating a hot tub with additional seating. A sheltered side access area provides valuable additional storage.

Laxton Close remains a particularly desirable location within Locks Heath, offering convenient access to local amenities, excellent schools and transport links, making this an exceptional family home in a prime residential setting.
