SELLER'S SECRET

We've absolutely loved living here. Over the past six years we've carefully renovated the house room by room, making it a home for entertaining, relaxing and everyday life. Its unexpectedly spacious, with lots of built in storage, and also has external brick built storage which has made life very easy for us. There's plenty of other character features like these to the house, our favourite being the name stone at the front, 'Leicester House'. It's been a special place for us and we hope the next owners create just as many happy memories here.

Why we like it....

A fantastic blend of character and modern living, this deceptively spacious home offers over 1,000 sq. ft. of beautifully renovated accommodation, highlighted by a stunning four-piece bathroom, generous room sizes, and a lovely rear garden.
