RECEPTION & KITCHEN

RECEPTION, KITCHEN AND OUT TO THE GARDEN

Stepping inside from the shared communal entrance, a staircase leads down to the main living space on the lower ground floor. The reception room extends to fourteen feet, with wood-effect flooring, recessed spotlights and shelving set into the alcoves.

It opens through to a kitchen of almost twelve feet, fitted with cream Shaker-style units, glazed display cabinets and wooden worktops. There is a ceramic sink with a swan-neck mixer tap, a gas hob with extractor and a Beko oven, and a Bosch washing machine sits beneath the counter. A door leads straight out to the garden, so the space works as well for a quiet night in as it does for eating outside on summer evenings.

BEDROOMS & BATHROOM

A PRINCIPAL BEDROOM WITH A WALL OF WARDROBES

The principal bedroom lies at the front of the lower ground floor and measures almost fourteen feet. It has a full wall of fitted wardrobes, plantation shutters to the window and recessed lighting. The second bedroom, to the rear, is a single and would work equally well as a guest room, nursery or study.

Back on the ground floor, the bathroom is tiled to full height in grey. It has a bath with a shower over and a glass screen, a wall-hung basin and a chrome heated towel rail.
