THE PROPERTY

Part of a small development of 5 properties built in 2003 to resemble a farmhouse with a part thatched roof. The property has beautiful views over the surrounding countryside and a paddock to the rear. The style is modern with characterful additions such as wooden flooring, beams, brick fireplaces with bressummer beams along with wooden latch doors and good ceiling height. The entrance hall is large enough for a dining hall, with doors to the garden, from which leads a large study or 4th bedroom along with the cloakroom. The kitchen is to the rear and has a tiled floor, wooden units and granite worktops with a range cooker and integrated appliances. The sun room beyond has doors to the garden and lovely views to Hambledon Hill & Bulbarrow Hill. There is a separate utility room. The sitting room is dual aspect, contains a log burner, has doors to the patio and enjoys the views beyond. Oak stairs lead to the first floor with 3 double bedrooms, 2 with ensuites and a family bathroom. The master bedroom again enjoys the lovely views.

OUTSIDE

Outside there is a double garage with electric doors and an office space and further storage above with 2 sheds. The garden is level and laid to lawn with attractive rose beds surrounding the generous patio, and access to the paddock.

SITUATION

Manston is a rural village in The Blackmore Vale. There is the delightful Church of St. Nicholas and a well-known public house, The Plough, and a village hall.

More comprehensive facilities are available in the market town of Sturminster Newton about 2 miles away. The nearby village of Child Okeford has local facilities and the markets towns of Shaftesbury and Blandford Forum are easily accessible.
