A three bedroom detached family home, set near the end of a quiet cul-de-sac, near the centre of this idyllic Sussex village. The property is presented in good order throughout having been lovingly maintained and updated throughout the current ownership, and offers huge potential to enlarge and improve further, as many neighbouring properties of this house type have already done. The accommodation comprises an entrance hall/porch, a sitting room, a dining room which is open to the modern high specification kitchen, and a utility/store room makes up the ground floor. On the first floor there are three bedrooms, and a large family bathroom. Outside, there is a large driveway providing off road parking and accessing the integral garage, and to the rear is a wonderfully secluded garden which enjoys a sunny south easterly aspect. The property is double glazed throughout, and there is a modern gas fired boiler located in the garage which provides heating and hot water.

SITUATION: Barns Green has a village shop/post office, public house, church and large new primary school and there is also the excellent Sunners Ponds leisure park which has a café and restaurant. The larger village of Billingshurst is approximately 3 1/2 miles away. Horsham with its extensive range of shops and amenities including a leisure centre and swimming pool, theatre, cinema and golf courses is approximately 4 miles away. There are state and private schools within the catchment area and churches of various denominations.
