£315,000

Situated in a popular cul-de-sac within the sought-after village of Kingskerswell, this spacious semi-detached home offers a versatile four-bedroom layout, excellent family accommodation and a particularly useful double bedroom on the ground floor. With off-road parking, an enclosed rear garden and a location close to the local primary school, this is a practical home ideally suited to modern family life.

A covered storm porch opens into a generous reception hall, providing access to the main ground floor accommodation. The bright sitting/dining room enjoys an attractive outlook over the garden, with double doors opening onto the covered rear patio, which is also accessed from the adjoining kitchen. Also on this level is bedroom four, a double bedroom positioned conveniently alongside the entrance hall. Its location makes it exceptionally versatile and, for those working from home, it would also make an ideal dedicated office away from the main living areas. Upstairs, there are three further bedrooms, bedroom one with its own en-suite shower room, together with a family bathroom.

Outside, the property benefits from a concrete driveway providing off-road parking, together with a useful store and lawned front garden. The enclosed rear garden is designed for easy maintenance and can be accessed directly from both the kitchen and sitting/dining room. A raised and covered patio provides an excellent spot for outdoor seating and enjoys an open outlook towards the surrounding area and countryside. The garden is enclosed by timber fencing and a low-level block wall and also benefits from a raised planting bed, outside lighting, outside tap and gated side access.

Kingskerswell is a particularly popular choice for families, with the property conveniently positioned for the local primary school and village amenities, whilst also providing good access towards Newton Abbot and Torquay.

An internal viewing is highly recommended to appreciate the space, flexibility and family-friendly setting this property has to offer.
