## Description of Property

A sweeping driveway accessed from wrought iron electric gates gives access to 'Carmel', framed by mature trees and manicured lawns. The front entrance has steps leading up to an oversized solid oak front door that opens into a welcoming reception hall. Herringbone parquet flooring, exposed beams, and soft lighting establish the home's character, while the Chesney log burner within a feature divider wall creates a warm and inviting focal point. The guest ground floor cloakroom recently renovated with stylish contemporary vanityware opens off the hall, while the inner hall leading to the WC doubles as a boot room with plentiful practical storage for coats and shoes.

At the heart of the home lies an exceptional Siematic kitchen and breakfast room, a contemporary showpiece designed for both style and function. Oversized porcelain floor tiles complement the high-gloss cabinetry and striking marble-effect Dekton worktops and splashbacks. The kitchen is fitted with a number of specialist Siemens appliances and Quooker hot water tap. The large central island with integrated hob and downdraft extractor doubles as a breakfast bar and preparation space, perfect for family living. A circular bay with comfortable built-in seating creates a relaxed area for morning coffee, while the adjacent dining zone is ideal for casual or formal gatherings. Bi-folding doors lead directly onto the terrace, inviting the outdoors in and filling the space with natural light.

From the kitchen, double oak doors open into the snug, a beautifully atmospheric room blending period charm and modern comfort. Original exposed ceiling beams, parquet flooring, and a large inglenook fireplace with a raised hearth and gas stove create a cosy setting, while a charming window seat overlooks the fore garden; an idyllic spot for reading or relaxing in the evening.

A utility room provides excellent functionality for a busy household, whilst a secure covered courtyard, accessible from the kitchen, provides a convenient indoor/outdoor space, ideal for access to the house after a dog walk or leisure activity. The courtyard has a gardener's WC together with access to a hobbies/golf room providing further versatility.

Positioned in the left wing, the entertainment spaces have been crafted with entertaining and family enjoyment in mind. The entertainment room features a bespoke bar, finished with a marble countertop, mirrored display shelving, and built-in refrigeration. The bar is recessed within a striking inglenook, blending perfectly with the room's elegant décor and bay window. The room flows seamlessly into the dining room, a superb and versatile space where the snooker table cleverly converts into a dining table, making it perfect for entertaining. This elegant area features herringbone parquet flooring, a contemporary marble fireplace, and full-width bi-fold doors opening onto a private side patio. (Nb. The snooker table is not included in the sale of the house but may be available by separate negotiation.

Adjoining the entertainment room is the cinema room, a stylish snug set-up featuring a custom vertical-panel media wall, soft carpeting, and contemporary lighting. This space could easily be adapted as a family games room or gym. Planning permission (Ref: 22/01020/FUH) has been granted to replace this section with a two-storey side extension, creating scope for a self-contained annexe, leisure suite, or additional bedrooms.

To the rear, a delightful garden room, currently used as a gym, offers panoramic garden views through wraparound windows ideal as a quiet retreat, reading nook, or children's playroom.

A cellar completes the ground floor accommodation.

A sweeping oak staircase rises to a generous minstrel gallery landing with an open seating area, a tranquil space for morning coffee. This area is enhanced by access to a charming front balcony overlooking the grounds.

The principal bedroom suite, set to the rear, exudes luxury and calm. Fitted wardrobes line the dressing area, which leads through to a beautifully appointed spa-style ensuite featuring twin basins, a freestanding bath, and a walk-in shower. This ensuite also connects to the adjoining guest bedroom, creating a flexible arrangement ideal for families or guests.

Bedrooms three and four share the stylish family bathroom, while bedroom five enjoys its own dressing room (or sixth bedroom) and ensuite with a walk-in shower and corner jacuzzi bath.

A secondary staircase leads up to a second-floor office, providing a private area for home working or creative pursuits.
