Newly constructed Studio & Apartment Development – Bangor High Street

An exceptional opportunity to secure a fully renovated and refurbished studio or apartment in the heart of Bangor High Street. This impressive development offers a collection of high-spec, self-contained homes finished to a modern and consistent high standard throughout.

The block comprises:

- 12 self-contained studios (including 6x mezzanines)
- 4 one-bedroom apartments
- 2 two-bedroom apartments

Each residence has been thoughtfully designed to maximise space, comfort, and style, making them ideal for those seeking high-quality accommodation in a central location.

Every studio and apartment benefits from its own private kitchen and contemporary en-suite bathroom, complete with shower, VVC, and wash hand basin. The kitchens are finished with solid resin marble worktops, incorporating a recessed sink and drainer, complemented by reed green-effect cabinetry for a sleek and distinctive look.

The carefully curated interior specification continues throughout, with each unit furnished to a consistent, modern standard including:

- Integrated fridge freezers & microwave
- Dining table with chairs
- Matching coffee table
- Reed green media unit
- Reed green bedside cabinet
